

Can I have a Texas county clerk's office send my divorce certificate or divorce decree directly to you?

Yes, as long as you provide them either a prepaid shipping label or the address you give them to send your Texas divorce certificate or Texas divorce decree back to is our business address.

Then from anywhere in the world, you can email us our completed Texas apostille order form and a FedEx or UPS prepaid return shipping label that we require to mail your apostilled documents back to you.
