

Can I have a Texas county clerk's office send my marriage certificate or marriage license directly to you?

Yes, as long as you provide them either a prepaid shipping label or the address you give them to send your Texas marriage certificate or Texas marriage license back to our business address.

Then from anywhere in the world, you can email us our completed Texas apostille order form and a FedEx or UPS prepaid return shipping label that we require to mail your apostilled documents back to you.
