

Where Can I Order a Texas DPS Driving Records Report At?

If you need to order a Texas Department of Public Safety (DPS) **driving records report** and then get it apostilled for use in a foreign country.

Please go to the links below for more information and to contact the Texas Department of Public Safety to help you with ordering the driving records report that you will either email or mail us to rush apostille once you receive back from the state. The TXDPS website states: *"The requested Driver Records are available to print immediately after successful payment. You may also choose to receive the Driver Record by email. This service does not provide an option to have the Driver Record mailed to you."*

Make sure you **order a DIGITAL/DOWNLOADABLE PDF version** of your Texas Department of Public Safety driving records report so you can just email the PDF report to us to apostille.

Otherwise, if you do not choose the **downloadable/electronic option** (mailing you back the Texas driving records report is the TXDPS default option) the TXDPS will USPS MAIL the original hard copy of your Texas driver records check report to you.

Then you will have to MAIL us the original driving record report to apostille for you which will waste your time and money.
